

Shinto Prayer 祝詞

In prayer humbly, I approach the KAMI, the CREATOR of Aborigini People and whole people. I pray in humility and with great respect to the KAMI、 the CREATOR ,KASHIKOMI KASHIKOMI MOMAOSAKU.

Sweep impurities from our beings and purify our spirits. Bestow protection and guidance on us all. Keep us from harming others. Grant us good health and spiritual renewal. Bring brightness to our soul. Encourage us in efforts to live righteously. Help us live in harmony, with respect and service to others and anything in the world and Mother Earth.

Humbly, reverently I speak these words, KASHIKOMI UYAMAI MOMOUSU.
